## Way back to Andlau

After visiting the castle, go back down the hill and take the path on the right towards Andlau. At the next intersection, continue straight on, marked with a blue disc. Once in the village, turn left into rue du Maréchal Foch and then right into rue Clemenceau which runs alongside the river. At the end of the street go straight on past the Abbey Church to reach the town hall square. Opposite the square, take the rue des Forgerons and the rue des Serruriers to get back to the car park.
