## STEPS

### 1 Towards Landsberg intersection

When leaving the Tourist Office, turn left and walk around the Place de l'Hôtel de Ville. Go up to the Protestant church by taking the stairs on the right. Opposite the cemetery, take the path along the right wall of the cemetery. At the Muller Apfel shelter, walk up the tarmac road for a few metres. Then follow the red rectangle on the right which leads into the forest. Pass by the Moenkalb Forest House (where you can eat at weekends and on public holidays) and the small shelter. At the intersection "Le Landsberg" take the path opposite marked by a red rectangle.

### 2 Towards Mont Sainte Odile

On leaving the forest, cross the road. After passing the "Kiosque du Jadelot" shelter, the rocks named Wachtstein and Schafstein, follow the Pagan Wall on the left. At the Maennelstein crossroads (beautiful viewpoint), turn left. At the platform with the 3 benches, turn left, then immediately right along the rock.

### 3 Back to Landsberg intersection

Leave the sanctuary and turn left at the platform with the 3 bench. Turn right immediately afterwards. At the bifurcation, follow the path above. When you reach the road, turn right, then immediately left toward Landsberg Castle.

### 4 Way back to Barr

At the crossroads "Le Landsberg", turn right and follow the red triangle. After visiting the ruin, follow the red triangle towards Herrade de Landsberg rock. Before the catholic church, turn left and follow "rue neuve" to reach the tourist office.
