## STEPS

### 1 Welschbruch forest house

From the car park, cross the road and go towards the forest house. Follow the path along the property until you arrive at the gate and turn right. After half an hour's walk, at the next intersection, turn left onto the path of the milestones.

### 2 Boundary markers path

This path is marked by boundary stones that mark the border between two forests. Sometimes the path moves away from the old border and rises gently. You pass a beautiful cross dating from 1697.

### 3 Neuntelstein Rock

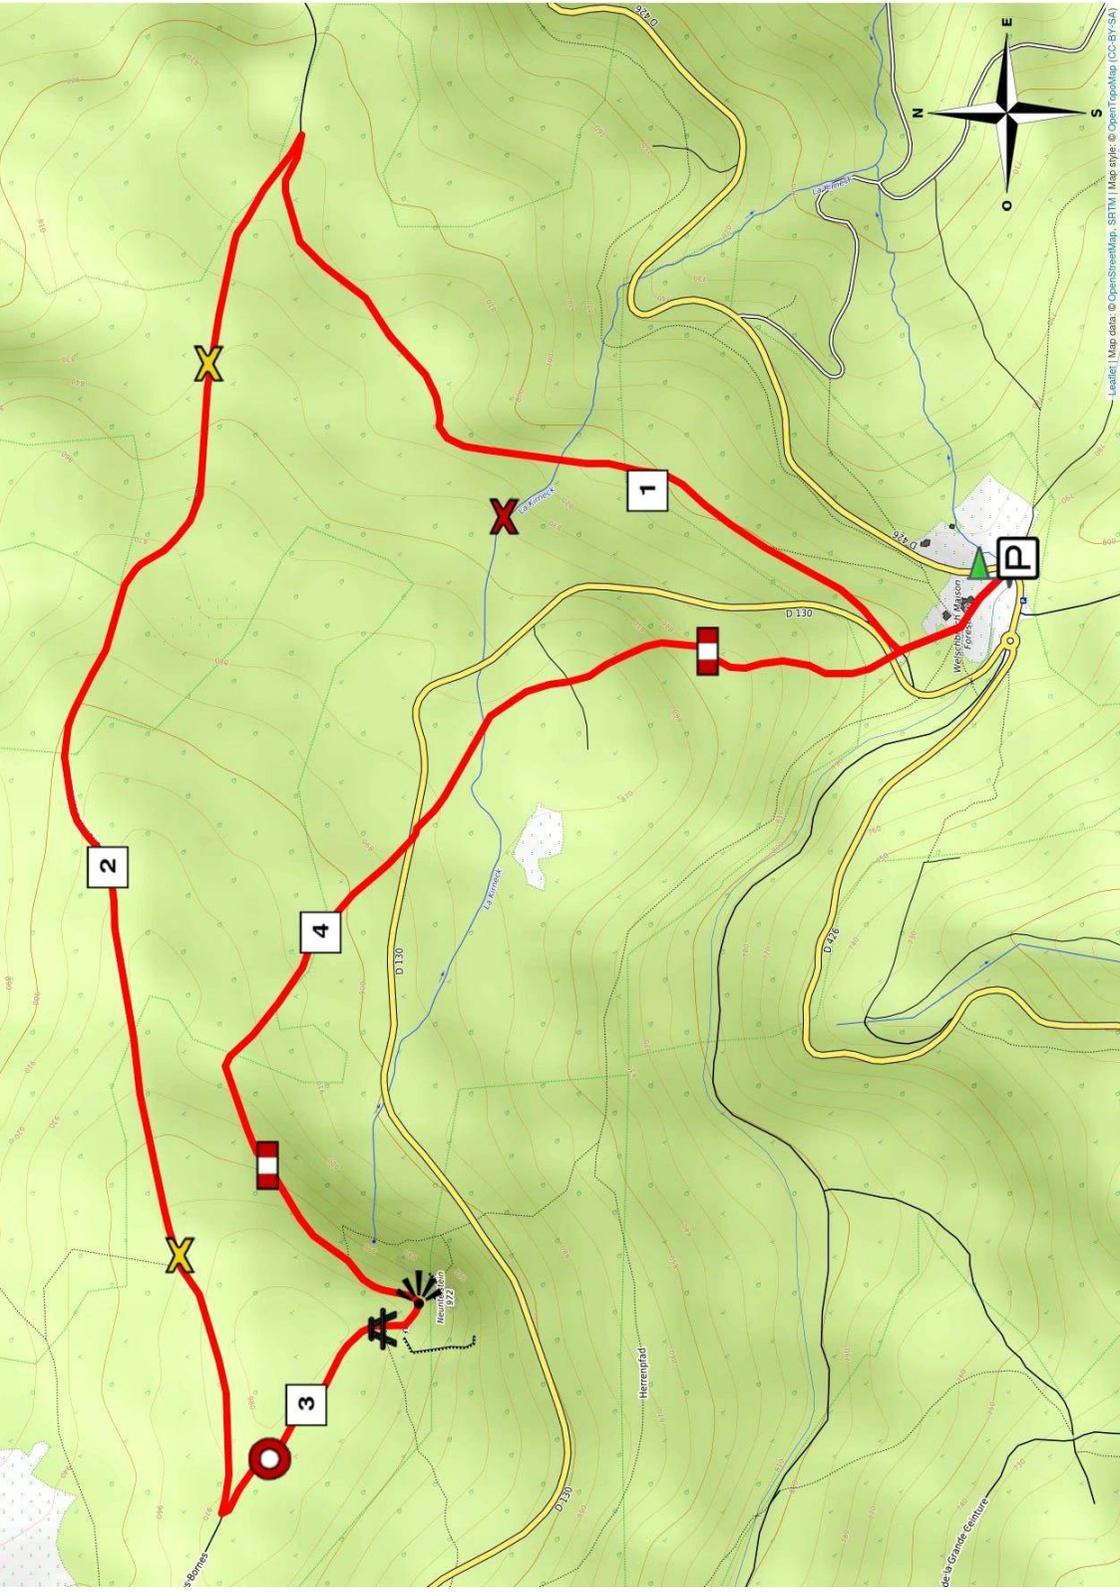

At the intersection between the yellow cross (X-shape) and the blue rectangle, turn left. 200 m after a cross dating from 1840, turn right and follow the direction Hohwald - Neuntelstein - Welschbruch. When you arrive at a small square with tables and benches, walk up to the rock, 971m high, to admire the view of the Mont Sainte Odile, the village of Hohwald, the plain... Take the same route back to the square.

### 4 Source of River Kirneck

Back on the square, take the direction: Source of the Kirneck-Welschbruch-Barr. Possibility to see the source of the Kirneck (15 minutes for the two-way trip). Continue along the path towards the Welschbruch. The path slopes gently down to the starting point. Cross the asphalt road and you are back at the forest house.
