STEPS

1 **Louisental**

When leaving the Tourist Office, turn left into the rue Principale. At the intersection take the direction of Mont Sainte Odile. In the bend, on the car park opposite the multi-purpose hall, follow the blue disc path. The path runs along the forest road.

2 **Heading to Rohrbach Chalet**

At the first intersection continue on the left, still following the blue disc. Admire the view of the village on the left. After the small wooden bridge across the river, turn right.

3 **Back to the village**

When you reach the tarmac forest road, turn left. Follow this road for 600 metres then walk up the forest path on the left which is marked with a blue disc and a red rectangle. Follow the path that leads you to the campsite. Go straight on into the Herrenhaus street. At the bottom of the street you will find the main road. Turn left to get to the Tourist Office.
