STEPS

1 Start

From the carpenter's cross (472 m), take the path marked with a red triangle over the waterfalls and join the road to the Amic Pass at bend 603.

2 Col Amic

From this bend, climb left along the path marked with a red triangle to reach the Kohlschlag farmhouse inn (770 m) and then the Amic pass (828 m) to join the GR 5 long-distance hiking trail marked with a red rectangle.

3 Château du Freundstein

From the pass, take the path marked "entre les 2 cols" (between the 2 passes) to the Freundstein pass (858 m). You can visit the ruins of the Freundstein castle or enjoy a meal at the Freundstein farmhouse inn (take the red-white-red rectangle path and retrace your steps).

4 Chapelle Sicurani

Then descend the forest path marked with a green triangle for around 2 kilometres and then climb back up to the Sicurani chapel (720 m) using the yellow disc markers.

5 Arrivée

From the chapel, take a fairly steep path marked with a yellow disc past the Baratin shelter to a forest path (yellow disc, green triangle and blue triangle markers) leading to the Zimmermann Cross.
