

# HIKING TOUR - TOUR OF WHITE LAKE

Sportive level

Start : Station du Lac Blanc

5,5 km

2h30 min

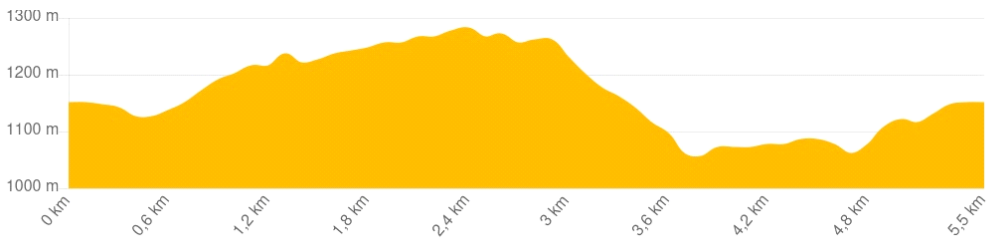

This short but physical hike takes you to the unmissable Lac Blanc. From the Col du Calvaire, follow the red circle to reach the ridge. At the top, enjoy a breathtaking panoramic view. Continue with the same markings. After the source of the Lac Blanc, the dangerous part of the hike begins where you have to descend the height reached by the rocky wall of the lake. A good physical condition is essential. Well done, you have reached the famous Hans Rock. On the way back, follow the Freppel path along the lake.
