ON THE HEIGHTS OF FRÉLAND

Pure pleasure! This walk takes you along the small roads above the village and offers you picturesque views of the landscape shaped by crops and deep forests. Perhaps you'll have a surprising encounter with the forest fauna at the turn of a meadow.

DEPARTURE: Fréland town hall

MARKINGS:

DESCRIPTION

Practical information: this route is 100% bikeable on tarmac roads. Significant difference in altitude at the start.

1 From the town hall, go down the Grand Rue and turn left into the "rue de la Goutelle" marked with coloured diamonds. At the end of the street, turn right into "rue des sorbiers" then left into "rue de Ploudaniel". At the end of this street, turn right and after a few meters, go up on the left towards "KALBLIN". Go straight on for a long time on this road.

2 At the next crossroads, turn left in the direction of "KALBLIN", marked with a green diamond. Go straight on until the next intersection.

3 At the top of Kalblin (677m), go straight on towards "LA CHAUDE COTE" marked with the blue diamond. Continue straight on until the next intersection.

4 At the Kalblin sign, turn right down the road. Follow it to the village. At the bottom, at the intersection with the Grand Rue, go down to the left to find the town hall a little further down.
