# THE RUDLIN WATERFALL BY THE GAZON DU FAING

14,5km

4h

815m

This walk is a succession of unexpected discoveries. It perfectly combines the beauty of the wide open spaces with the astonishing richness of the forest. The long wooden footbridges that make up a portion of the circuit add an enchanting touch that is sure to seduce you!

DEPARTURE: col du Calvaire parking

MARKINGS:     

## DESCRIPTION

- 1 From the Col du Calvaire car park, cross the road carefully to join the small path that enters the forest 50m below. Follow the red rectangle upwards for several kilometres until you reach the top of the Gazon du Faing.
- 2 Continue following the red rectangle (GR5) until the intersection with a path on your right (green ring). Go down to the Auberge du Gazon du Faing.
- 3 Carefully cross the road and follow it a few metres to the right. You will find the signposted path (red easel) which leads you downhill to the waterfall. Go back and forth to see the waterfall and continue downhill to the Dames pond.
- 4 Walk along the length of the pond and continue up the tarmac road. At the next intersection, at the picnic area, cross the small bridge and follow the direction of the Ruhlock path (blue triangle).
- 5 Further up, continue with the same markings following the direction "Le Reichsberg" which leads you back onto the ridge in the Tanet-Gazon du Faing nature reserve. Go back down the same path as at the start.
