THE ASCENT TO THE LAC BLANC BY A FARMHOUSE

This hike offers a good ratio of effort to (gourmet) comfort. Passing by a farmhouse, it is difficult to resist the call of the famous marcaire meal or a slice of pie. A little higher up, the Lac Blanc invites you for other reasons...

DEPARTURE: Orbey town hall

MARKINGS:

DESCRIPTION

1

From the town hall, go straight up towards the market square. Follow the blue rectangle to the crow's feet. Follow the direction of the red ring. At the house, take the path on the right towards "CHAPELLE ST-GENEST. Continue with this signposting for several kilometres.

2

After crossing the Lac Blanc stream, take the path on the right marked with a yellow circle and the sign "PRE BRACOT". At the inn, continue to the right with the same markings until the intersection with the blue cross. Continue to climb until the path leads to the road.

3

Without crossing, continue up to the Lac Blanc car park. Go past the Auberge du Mille Mètres and take the wide path marked with a blue ring that leads you to the balconies of Lac Blanc. Continue straight on until you reach the Auberge du Blancrupt.

4

Go along the hostel following the blue rect. direction "ORBEY". A little further down, at the level of the antennas, turn left and continue your descent with the same markings. You arrive at the intersection of the start at the Creux d'Argent. Go back down to Orbey following the red ring (same path as at the beginning).
