THE MASSIF OF THE TÊTE DES FAUX

There is so much to see on this tour! Leave the beaten track of the lakes to explore the forest of the Tête des Faux summit from top to bottom, which holds many treasures. This tour is a succession of unexpected discoveries combining harmoniously landscapes shaped by history and a protected wilderness.

DEPARTURE: col du Calvaire parking

MARKINGS:

DESCRIPTION

Small loop (follow steps 1,2,5): 5km

- From the Col du Calvaire car park, head to the back of the car park along the wide path that enters the forest, marked in red (GR5). Follow this path for a long time until you reach the Duchesne cemetery.
- Climb towards the Tête des Faux with the same markings. At the top, marked by the white cross, go around the scree and continue on. Go past the bunker and start the descent marked by the Roche du Corbeau and the old cable car station before arriving at the Etang du Devin.
- With the pond behind you, take the rightmost path (green ring). Go straight on for several kilometres.
- At the intersection with the house, continue to the right (red easel) until you reach the Duchesne cemetery again
- Leave the cemetery behind you and follow the path marked with the green/yellow ring towards the Tête des Immerlins. At the top, continue downhill to the starting car park.
