THE BIKE PARK WALK

Is part of your team riding the bike park? By choosing this tour, you can take part in their activity in your own way. In the heart of a refreshing forest where the water flows quietly, join your friends and family at the bottom of the slopes to share a thirst-quenching break at the Auberge du Vallon.

DEPARTURE: col du Calvaire parking

MARKINGS:

DESCRIPTION

1 From the col du Calvaire car park, cross the road carefully to join the small path that enters the forest 50m below. Go up following the red rectangle. When you reach the sign announcing the entrance to the Gazon du Faing nature reserve, take the path immediately on your right.

2 Go down along the reserve (blue triangle). Carefully cross the ridge road and continue straight down ignoring the intersection on your left until you reach the Louschbach pass.

3 Cross the road carefully, to join the wide path (blue rect.). Go straight down to the next intersection.

From here, choose between the 2 options below:

- 4
- go back and forth to the Auberge du Vallon (arrival of the slopes and departure of the chairlift) by following the green circle direction "Etang du Vallon/Le Bonhomme".
 - go up directly to the Col du Calvaire by taking the path on the right towards "Montjoie".

5 At the next intersection, take the leftmost path. Go straight up. At the next intersection, follow the blue rectangle towards "Calvaire" to reach the starting point.
