DIFFICULTY

Take the path that passes next to the technical building of the resort where the snow groomers and the snow production are located, in the direction of the Bronner ski lift, whose line you will cross.

Be careful with the poles on the way up and on the way down, be careful!

You will make a nice climb to the Col du Platzerwasel before starting your descent in the Widenbach forest, with beautiful views on the Vosges ridges at times !

You will arrive at the Ferme-Auberge du Schnepfenried at the other end of the ski area. Return to the heart of the resort to finish your loop around the Schnepf'!

The team's advice :

On your way, you will cross the alpine ski slopes. Be very careful !
