STEPS

1 **Departure from the Sonnenberg picnic area**

Please note that Sonnenberg is not marked on IGN maps. Turn left and follow the blue rectangle towards the Ziegelberg Forest House.

2 **Linsenthal Stream**

When you arrive at the Maison Forestière, cross the D141 and take the path following the red-white-red rectangle to the Holdereck pass, following the Zinsel du Nord, then the Linsenthal stream after crossing the D141 again.

3 **Source : Goeber**

At the bottom of the valley, follow the new markings on the right (old markings on the left via Goeber spring are prohibited due to the risk of rockfalls). Then take the GR53 (red rectangle) to the Ungerthal pass.

4 **Return along the Lauterbaechel**

Begin the descent towards Sonnenberg by following the blue-white-blue rectangle halfway down the slope (or the blue cross running alongside Lauterbaechel in dry weather).
